Re: Church Alive campaign

Dear Church Member,

Following the launch of our Church Alive campaign at the services and parish lunch on Sunday 29th March, we are contacting every member of Christ Church with information about the project. The enclosed brochure outlines our vision for Christ Church over the next 3-4 years and our plan for making it a reality, as well as a guide to the financial resources required to maintain, develop and improve our work here in Epsom.

Please take the time to read this information and prayerfully consider your response to the Church Alive project - whether is in the form of money, time, expertise or some other expression of support.

We have enclosed a financial pledge form. Whatever your response, we would be grateful if you could return it to the Parish Office by **Sunday 26th April** using the enclosed stamped addressed envelope. Pledges of time or expertise may be made by telephone, letter or email to myself (andrew.facey@virgin.net or 01372 720302) or Seb Crutch (sebcrutch@hotmail.com or 020 8393 5207).

We are hoping to hear from every church member by this date and, although there will be no pressure for you to respond in a particular way, there is a team of volunteers that will telephone anyone who has not replied by Sunday 19th April with a reminder of the deadline. This is to ensure that we receive everyone's response in time for the Church Alive Thanksgiving Service on **Sunday 3rd May** at 10am. We do hope you will be able to join us for this joyful service of celebration.

Thank you for taking the time to consider this matter. It is of great importance for the future of Christ Church.

Yours faithfully,

Revd Andrew Facey
Vicar
